Dear Supporter of Sumner County Youth:

As a buyer at last year's Sumner County Junior Livestock Auction, you are receiving this letter as an invitation to again support the Sumner County 4-H and FFA youth. The Sumner County Junior Livestock Auction will be held via video presentation on **Sunday, August 4, at 2:30 PM**. Please plan to join us beginning at 1:30 PM for the Buyer/Exhibitor meal. Two tickets are enclosed for you and a guest. The meal and auction will be held in the Caldwell Community Building. The auction will start promptly at 2:30 PM with auctioning of the 4-H club cookie jars, followed by auction of the market animals.

Enclosed is a list of exhibitors who have pre-registered their market animal(s). An add-on premium sheet is included with this letter for your convenience if you cannot attend the auction but want to contribute to exhibitors. Even if you plan to donate additional premiums, please try to do so in advance – it is easier for bookkeeping at the auction. Those who send in add-ons, along with a check, to Julia Strnad at the address above before August 1, 2019, will be listed in the sale brochure as add-on premium contributors for the 2019 auction. Checks are to be made payable to **Sumner County Junior Livestock Auction (SCJLA)**. In the event an exhibitor does not sell an animal, your add-on premium will not be returned. It will still go to that exhibitor, if the exhibitor has shown a market animal at the fair. Otherwise it will be distributed to other exhibitors.

Those who purchase premiums or add-ons at the auction should make plans to pay those premiums and add-ons **before leaving**. All monies need to be collected by August 8, 2019, so that we can pay our exhibitors. We cannot do this until all outstanding premiums and add-ons are received.

SALE ORDER: Grand Champion and Reserve Champion of each species – followed by a select portion of each species. Animals will be sold in the order of **Sheep, Beef, Swine and Meat Goat**.

This is a premium auction, with premiums selling in dollars. Add-on premiums may also be given at the time of the auction. Please consider a minimum of \$10 per exhibitor for add-ons. You may also buy the base on the animal and keep it. The base price will be set at the beginning of the auction and is calculated as a per hundred weight price.
